Summary of reasons for decision:

The computer moving image file contains a short video clip. The video explicitly depicts a woman engaged in sexual activity. The availability of the file to children or young persons, who do not have the maturity or experience to deal with explicit sexual material intended for adults, is likely to have a negative effect on the development of healthy sexual attitudes and behaviour. A restriction to adult viewers is therefore required. The classification of this publication limits the right to freedom of expression set out in the New Zealand Bill of Rights Act 1990. However, given the explicit sexual content of the material considered, the decision is reasonable, demonstrably justified and the minimum required to prevent injury to the public good.
